Member's Familiarity with Server-Side Language on a scale of 1 to 5, with 5 being very familiar and 1 being never used.

- Ben: 4
- Brian: 4
- Dipendra (Dibs): 2
- May: 3
- Sanjay: 4
- Zike: 1

Project Name: Stock Market App (Tradiction)

Tradiction will be a stock market application where users can create accounts, view stock lists, know details about how the stock is performing in relation to past days, and purchase stocks using a payment gateway.
